Dear Mpho

Thank you so much for letting us hold the animals, I was really happy how well the dogs and kittens were doing.

I enjoyed holding the animals. When I was holding a kitten it was sad that they abandoned the animals but I'm happy they are safe now. I admire your loving personality towards animals. Thank you for taking care of them. I hope they will all get lovely homes. I will make sure my puppy will be healthy. Thank you so much I appreciate your kindness.

Yours sincerely  
Jean.
